Kleine Schwester laß mich gehen
Du hast es nie gewollt
Ich kann es nicht vergessen, nein
Du warst doch - viel zu klein

Kleine Schwester laß mich gehen
Du hast es nie gewollt
Die Qual und die Unwissenheit
Erspar mir - dieses Leid

Kleine Schwester laß mich gehen
Du weißt es ganz genau
Ich kann es nicht vergessen, nein
Du warst doch - viel zu klein

Kleine Schwester laß mich gehen
Du hast es nie gewollt
Die Qual und die Unwissenheit
Erspar mir - dieses Leid

Little sister - tell me why you left me here
Little sister - your leaving magnified my fear
Little sister - there's still a place in my heart
Little sister - in my heart

Little sister hear my thoughts
Find no reason why
Too many ways you could have gone,
Loved, or died alone

Hear my thoughts I think of you
I can't forget this time
I can't forget this time - hear my
Thoughts - I think of you

Little sister - tell me why you left me here

Little sister - your leaving magnified my fear
Little sister - there's still a place in my heart
Little sister - in my heart

Little sister - tell me why you left me here
Little sister - your leaving magnified my fear
Little sister - there's still a place in my heart
Little sister - in my heart
