Step back, I'm steppin' up
Lend me your eyes I'll show you what I got
I give a new definition to going big
I'll blow your mind with stunts too scary
Hitting the walls, not in my vocabulary
And Evil Knievil ain't got nothing on me

Chorus

I'm a bone breaking, knuckle busting, blood letting,
teeth grinding,
Thrill seeking, dirt throwing, gear grinding, cycle trash,
Rooster throwing, heel clicking, throttle pinning, head
splitting,
Eye popping, jaw dropping, show stopping, air time,
superman,
Can - Can, no hand, who's the man, Enslow will, Carey
will, Pastana will,
With balls of steel, now I'm here for the world to see!
I'M THE ONE

Me and the boyz, were pinned for life
We'll never step down 'til the end of the line
Were Crusty Demons of Dirt running wide open
You want the sickest airs, I'm the man with the myth
Show me the fattest hits, I'll run it in fifth
I'm no white knuckle buster talking riddles
I run it wide open
