And my love she's still smiling to me  
Don't you run, she wants to cry  
She found out that I don't love her  
And other things I said were lies

She cannot turn me loose, oh no  
In spite of everything she's still in love  
To her lovesick mind I'm from above

My love, she is a quarrelly girl  
She just can't quarrel with me  
When I say: "I want to love you"  
She says: "You must wait and see"

She cannot turn me loose, oh no  
In spite of everything she's still in love  
To her lovesick mind I'm from above

I think I don't want to pray  
'Cause I need a childish love  
I found out that it's too fine  
Yes, it's too fine to swap

I cannot turn her loose, oh no  
In spite of her 'cause I'm in love  
To my lovesick mind she's from above

I cannot turn her loose, oh no  
In spite of her 'cause I'm in love  
To my lovesick mind she's from above

I cannot turn her loose, oh no  
In spite of her 'cause I'm in love  
Well, to my lovesick mind she's from above

I cannot turn her loose, oh no  
In spite of her 'cause I'm in love  
Well, to my lovesick mind she's from above
