I just can't wait by Q65  
When the sun is shining  
When the babies are crying  
I just realized the good things  
When the people say that my life is ok  
I just realized the good things  
And when I walk with woman  
I'm so proud  
I'm proud of the things we've done  
I'm gonna be a father  
And we must carry on  
Cause I wanna help her have a child  
I just can't wait  
I just can't wait  
Oh no, I just can't wait  
I wanna see my baby  
I wanna see my baby  
Oh no, I just can't wait  
I wanna touch my baby  
I wanna touch my baby  
Oh no, I just can't wait  
I wanna hold my baby  
I wanna hold my baby  
I wanna hold it in my arms  
I just can't wait  
I just can't wait  
Oh no, I just can't wait  
Oh I wanna touch my son  
I wanna see my child  
Oh no, oh no, I just can't wait  
I wanna see my baby  
I wanna see my baby  
I wanna see my little child  
Oh no, I just can't wait  
Oh no, I just can't wait  
Oh no, I just can't wait  
When I be with my woman  
I can feel my child  
My child inside of her  
When I feel that I have to cry  
Just realized the good things

Oh no, I just can't wait  
I just can't wait  
Oh no, I just can't wait  
I wanna see my baby  
I wanna see my child  
Oh no, I just can't wait  
Oh Lord, are you listening  
Please listen to me  
I tell you I just can't wait  
I wanna touch my baby  
I wanna see my baby  
Oh no, oh no I just can't wait  
I wanna touch my baby  
I wanna see my baby  
I wanna see my little child  
Oh no, I just can't wait  
Oh no, I just can't wait  
I just can't wait
