My way, versus your way...  
Do you think we'll fit together, someday  
Your world and my world...  
Are so different we should part,  
But that would break my heart, baby

I believe...  
We have got a place,  
Where there's room to hold on  
I, still believe...  
You are every man,  
I'll ever need  
I still believe in love...  
You and me

Baby, do you remember,  
When we fell in love and said, "forever"  
Come on, hold me tighter...  
When you do you make my life  
So much brighter, and I know I....

I believe...  
We have got a place,  
Where there's room to hold on  
I, still believe...  
You are every man,  
I'll ever need  
I still believe in love...  
You and me

music(or the bridge)

Oh, Oh, Ohhhhhhh  
I believe...  
We have got a place,  
Where's there room to hold on...  
I, still believe...  
You are every man,  
I'll ever need  
I still believe in love...  
You and me

Oh, Ohhhhhhh,  
You and me
