Dance with me, you make me going wild!

Take me in your arms and I will be all right!

Forget what's around us, hold me tight!

Take me in your arms, and be sweet and mild!

Do you feel my heart jumping with the beat,

I'm hanging on your lips and listen to the sound.

My little, pumping heart explodes of heat,

Grab me at my hips and turn me around!

The lyrics are correct but the authors name is Ella Blame, not Blame Ella. The same lyrics already exist under the name Ella Blame. Please be so kind as to delete these lyrics and the wrong name from your database.
