ULTIMUS CENSOR
When I saw you yesterday,
I became so hot.
I knew that we'll do it.
Give me what you've got.
The way you looked at me
Made my heart beat fast.
I loved you so tenderly,
Before I'll part at last.
Hug me, take me, twist me, break me!
Do with me what you desire!
I just wanna give you all,
I need a real man to admire.
Time will pass, leave us behind
As alone as before we met.
Kiss me, grab me and be kind!
I'm so hot and I'm so wet.
GIVE ME ANOTHER NIGHT
BEFORE I HAVE TO GO!
