Ella Blame  
I like your hair,  
You like my hair.  
I like your nose,  
You like my nose.  
I like your eyes,  
You like my eyes.  
So I like you,  
And you like me.  
I like your mouth,  
You like my mouth.  
I like your lips,  
You like my lips.  
I like your tongue,  
You like my tongue.  
So I like you,  
And you like me.  
I like your ass,  
You like my ass.  
I like your chest,  
You like my tits.  
I like your hmmm,  
You like my hmmm.  
So I like you,  
And you like me.  
LET'S GET TOGETHER!  
Come on, fuck me hard!
