Michael Thurm
You're the thing that I need,
The water I drink,
The air that I breathe.
I couldn't exist
If you wouldn't be.
The fire, the dust, the warmth,
The trust in your strength
Make me feel so safe,
Make me sure to be right,
To be right, here.
YOU'RE HOLDING ME,
BRINGING ME BACK
IF I TRY TO LIFT OFF,
IF I TRY TO ESCAPE.
EVERY FLIGHT TO THE SKY
CAN'T TEAR ME FROM YOU
BUT I'VE GOT TO FLY
ABOVE YOU TO SEE
YOUR WHOLE BEAUTY,
YOUR WHOLE BEAUTY.
Full of respect,
Full of regard,
I feel so small,
Insignificant.
Compared to you,
Nothing counts,
Nothing is more.
I'm just a moment
Of a second of your life,
Insignificant and small.
