ULTIMUS CENSOR

Ramona, you are so young,
Beautiful and smart.
You got almost everything:
Nice looks, wit and grace.
What makes me nervous is
That you live so mindlessly, so mindlessly,
Tending to destroy yourself
And harm many others, and harm many others.
You should learn to trust people
Who give you support and warmth, support and
warmth.
Don't reject what's offered you
When it's just goodwill!
I'd like to exhort you that
You keep away from evil, evil, evil.
Drugs won't give you what you need,
Self-respect and understanding, understanding.
Be more careful when selecting,
Whom you consider friend!
Many will try to take advantage,
Few will really care about you.
OPEN YOUR EYES, RAMONA,
OPEN YOUR EYES, RAMONA,
OPEN YOUR EYES,
LEARN TO THINK BEFORE YOU DO!
