my verbals & graphic grammar
My verbal murder stretch from Alaska to Alabama
get touched by my Arm & Hammer

from Tahiti to the Mid-Atlantic

Show ya hoe I ignore for real & I can tell
on the DL I got an Indecent Proposal for her (biotch)
mashin' in a Ford Explorer hell hound host the horror
escape from the Box Pandora somethin' for ya
get rocked by my midnight Glock
sniper through sound vocal rival to invade the block
Fuckin' bitch paid the price of a snitch the
?Nicki Scarful? comin' through the bus death
spreads through camps like ?Parvul?
Young Gotti Kurupt & C with the dope & the green weed
Indeed I'm out to get high & supply
what you need Mr. Postman

I got for sale on the stairwell to Hell

[Fatal Hussein]

Y'all old cops lost it drinkin' the scotch barfless
I don't like movies so I hit up the Box Office

wearin' my fuckin' dick around they neck like Kelly

My boys & me is poison we don't get along equal
Fight each other like brothers it's all good we strong

Picture a felon in ya presence
takin' bustas back to the Essence
tellin' my people peep my lethal message
visions of me gettin' money got me in mash mode
murderous motives for niggas stoppin' my cash flow
you can't fight it nigga let go
Witness the sound made ya bitch ass

[Idi Amin]
For so many days & so many ways we been duckin'

Hold the scrillas I dump in you niggas' livers
then watch ya body shiver & ya mama quiver
from the way you just got lit up
Hit up the Westside on my way out
y'all whole crew should've knew it was on
from Makaveli's first day out now y'all gettin' played
out
& laid out for public display on this day
y'all niggas is historay cause the whole crew is bitch to

Cause I'll tack that ass like A's attack DC
Believe me 'cause although now I'm just a young

I'm soon to be a gun holder Initiate to the clique
with a left to my lip now the fight's over
