Runnin' off caffeine, in front of a screen  
These were my waking hours.  
Wasn't really alive, just waitin' 'til 5  
As all the suits devour.  
Standin' over my shoulder, as we're all gettin' older.  
Have I done what I hate to do? Good enough for you?

At least I know this ain't for me, I got no place in a 3x3.  
And every day they take away a little bit more of my  
dignity.  
We do what we're told as we're all gettin' older  
Am I done now shinin' your shoes? Is there anything  
you want me to do?

Chorus:

'Cause I get by  
Wasting my time with my head up in space  
Baby I tun the other way.  
But I don't mind that I'm turnin' now I'm so far out of  
that place,  
Baby I turn the other, turn the other way.

\*Solo\*

Funds hold me back to let me know  
I hate the game, so I'm gonna fold.  
And every time I look outside,  
My body says, "Fuck it, just let it go."  
We do what we're told as we're all gettin' older  
Am I done now shinin' your shoes? Good enough for  
you?

Chorus:

'Cause I get by  
Wasting my time with my head up in space  
Baby I tun the other way.  
But I don't mind that I'm turnin' now I'm so far out of  
that place,  
Baby I turn the other, turn the other way.

Just knock 'em down now!  
How high? Just roll 'em over!

C'mon, YEAH!
