Intro (Teddy Riley Of Blackstreet):

R-U-G-R-A-T-S

Chorus: Mya and Blackstreet

Take me there, I wanna go there

Take me there. Let's go there

Take me to that great place with wonders and wishes.

Take me there, I wanna go there

Take me there. You know where.

Just take me to that great place with wonders and wishes.

Verse One: Mya

Sittin here thinkin bout yesterday

About what we did and how we used to play

Just the thought of you brings a smile upon my face

That's how it makes me feel to see you everyday

Where we go, nobody knows

And what we do, is between me and you

So c'mon and take my hand, to that special place

Where smiles come to life and dreams come true

(Chorus)

Verse Two: Chauncey Of Blackstreet

Let's make a wish

Close your eyes and count to five

Cuz you know that everything will be alright

I see the magic in your eyes

You're strong enough I know

To bring your dreams to life

Where we go, Nobody knows

And what we do, is between me and you

So c'mon and take my hand, to that special place

I don't want this dream to ever go away

(Chorus)

Rap One: Mase

Now Angelica's the one with all the exposure

Dil is the one who drop in the stroller

Tommy got the whole world on his shoulders

And Dil cries to sleep

Til' his eyes get bleak

I'm identical to Chuckie, Chuckie to petro

Chuckie get scared, Chuckie says "Let's Go."

If I was a rugrat, it would've been so real

Me and my twin would've been just like Phil and Lil
Rap Two: Blinky Blink
And with one wish, Blink grant you one trip
Where we goin, it's an adventure, who you wanna come
with
See you're my little brother that I'll come get
Run with, But it's gotta be done quick
Yo Chucky is scared and Tommy is sad
And Phil and Lil misses their mom and dad
So take the time of day
And we'll find the place
And I guarantee that we will all get home safe
Mya: Just Take me there!!!!!!!!!!!!!!
(Chorus)
