Don't get me ridiculous notice is the fine line  
Twin of love, twin of hate

You down it is nothing special  
Groupies love you a minute then proceed to forget you  
That's mama nigga come met me  
Like when you make it remember me  
Retarded and make me follow me  
You promised that you'll remember me  
I'm a... in the jungle nigga what else  
The hit is motha f\*cka... nigga

Deserve my fact when it's the dream  
Manifesting our blesses when you ever seen  
What time is it?
