Road Called Love By Quest

MotoLyrics

1st Verse: Time is up and you are not yet back It's getting dark and my heart beats fast Until my eyes stare right in to your eyes

Come on Honey itâ€[™] s just me and you Loveâ€[™] s so strong but I know itâ€[™] s true To Love you like I always do

When it rains with Thunder & Lightning It breaks my heart, But I feel so strong Coz you hold me tight and you Love me right When you are by my side

Chorus: Drive me Down, Down that Glorious Road Called Love , Down that Glorious Drive me Down, Down that Glorious Road Called Love , Down that Glorious Road Called Love, Road Called Love Down that Glorious Road Called Love

2nd Verse: Tell me how you always find a way To make me happy when you are away As your Love comes from far and far away

Letâ€[™] s go out and find a place To Rock all night and dance away Cheek to cheek arm in arm and deep in love

The Band plays a Rocking Guitar Shake it up on the floor tip toe As you hold me tight, as we dance through the night With all our might Chorus: $\hat{a} \in |\hat{a} \in |\hat{a}$

When it rains with Thunder & Lightning
