We've been waitin' for a long time

Yes, we've been waitin' for a long, long time

We've been waitin' for a long time

But we ain't gonna wait no more

We're getting' ready to rock & roll

We're gonna - 1, 2, 3, 4, 1, 2, 3!

Well, there's a reason everybody should be shakin' in  
the house tonight

And you should grab your favorite lady and promise  
her you'll do it right.

Tell Fat Jack to jump back and give you a shot of some  
booze

So you can party to some stomp-down, butt-bumpin',  
rock & roll, rhythm & blues.

'Cause the boys are back in town.

The boys are back in town.

I know that everybody when they hear the music will be  
doin' it on the floor

Jump up and down they turn around and tell the band  
to play some more

'Cause tonight you can dance and romance and do  
anything you feel like doin'

But don't look surprised 'cause you know what I like  
and tonight we ought to do it

'Cause the boys are back in town.

The boys are back in town. Oh, yeah.

Well, there's a reason everybody should be shakin' in  
the house tonight

And you should grab your favorite lady and promise  
her you'll do it right

Tell Fat Jack to jump back and give you a shot of some  
booze

So you can party to some stomp-down, butt-bumpin',  
rock & roll, rhythm & blues.

'Cause the boys are back in town.

The boys are back in town.

Yeah! Yeah! Yeah!

The boys are back in town.

And when the boys are back,

There ain't no foolin' around!
