Too many faces that are not just like mine.

I see them moving in two at a time,

And, oh-oh-oh; it doesn't look too good to me!

Give them an inch and they will take a mile.

I only want to see them once in a while.

And, oh-oh-oh; it doesn't look too good to me!

There goes the neighborhood!

The whites are moving in - they'll bring their next-of-kin.  
Oh boy!

There goes the neighborhood!

Boy! Boy! Bo-o-o-oy!

I ain't movin' out for no "Carol and Bob"!

The inner city is too close to my job.

And, oh-oh-oh; it doesn't look too good to me!

I don't no want fight - no family feudin'!

But 'round here, \*\*\*\* will make your mouth grin.

And, oh-oh-oh; it doesn't look too good to me!

There goes the neighborhood!

The whites are moving in - they'll bring their next-of-kin.  
Oh boy!

There goes the neighborhood!

Boy! Boy! Bo-o-o-oy!

There goes the neighborhood!

The whites are moving in - they'll bring their next-of-kin.  
Oh boy!

There goes the neighborhood!

Boy! Boy! Bo-o-o-oy!

There goes the neighborhood!

The whites are moving in - they'll bring their next-of-kin.  
Oh boy!

There goes the neighborhood!

Boy! Boy! Bo-o-o-oy!

There goes the neighborhood!

White folks moving in - they gon' bring their next-of-kin.  
Oh boy!

There goes the neighborhood!

Boy! Boy! Bo-o-o-oy!

There goes the neighborhood!
