wishesTake me thereI wanna go thereTake me

wonders and wishes
[Mya]:Sittin' here thinking 'bout yesterdayAbout what
we did and how we used to playJust the thought of you
bring a smile upon my faceThat's how it makes me to
see you everyday
Where we goNobody knowsAnd what we dols between
me and you
Come on and take my handTo that special placeWhere
smiles come to life and dreams come true
Take me thereI wanna go thereTake me thereLet's go
thereTake me to that great placeWith wonders and
wishesTake me thereI wanna go thereTake me
thereYou know whereTake me to that great placeWith
wonders and wishes
[Blackstreet]:Just make a wishClose your eyes and
count to fiveCause you know that everything will be
alrightI see the magic in your eyesStrong enough, you
know, to bring your dreams alive
Where we goNobody knowsAnd what we dols between
me and you
Come on and take my handTo that special placeDon't
want this dream to ever go away
Take me thereI wanna go thereTake me thereLet's go
thereTake me to that great placeWith wonders and
wishesTake me thereI wanna go thereTake me
thereYou know whereTake me to that great placeWith
wonders and wishes
