Keep the circle whole  
Yeah  
Slave/master  
Broken man  
Man in mind  
Merciless room  
Trespass  
Black  
No light on the dark side  
Triumph is a sea of flames  
In the shadows  
Down

Keep the circle whole

Well I am the wizard  
I put a spell on you, yeah  
I make you do the things I know you would not do  
I am the master  
You are the master  
Nobody needs a wornout soul

Don't lose control  
I wanna keep the circle whole  
Don't lose control  
I wanna keep the circle whole

Inside the fire

I wanna be, yeah  
Cause what you get it is exactly what you see  
I am disaster  
You are disaster  
Nobody needs a wornout soul

Don't lose control  
I wanna keep the circle whole  
Don't lose control  
I wanna keep the circle whole

Whole

Don't lose control  
I wanna keep the circle whole  
Don't lose control  
I wanna keep the circle whole  
I'm standing tall  
I wanna keep the circle whole  
Don't lose control  
I wanna keep the circle whole

Keep the circle whole
