### "Where Eagles Dare"

It's snowing outside the rumbling sound  
Of engines roar in the night  
The mission is near the confident men  
Are waiting to drop from the sky

The blizzard goes on but still they must fly  
No one should go where eagles dare

Bavarian alps that lay all around  
They seem to stare from below  
The enemy lines a long time passed  
Are lying deep in the snow

Into the night they fall through the sky  
No one should fly where eagles dare

They're closing in the fortress is near

It's standing high in the sky  
The cable car's the only way in  
It's really impossible to climb

They make their way but maybe too late  
They've got to try to save the day

The panicking cries the roaring of guns  
Are echoing all round the valley  
The mission complete the make to escape  
Away from the eagles nest

They dared to go where no one would try  
They chose to fly where eagles dare
