### INTRO

Im not your little princess anymore  
Are you feeling this now put your hands up in the air  
now  
Are you feeling this now put your hands up in the air  
Gonna get ya gonna (repeated)

### VERSE 1:

Boy it's your problem you wasted my time and  
I thought that I told you i've made up my mind.  
Whatever defence you've put up, just give in,  
Coz you had it, you lost it, so don't you deny it.

### BRIDGE:

I must be an insomniac if it wasn't for the way you were  
talkin' back  
I don't need a sequel, Im gonna fade this show to  
black.

### CHORUS:

I'm not another Cinderella  
Waitin' for a Rockafella  
If the shoe don't fit, then that's it  
I don't need a storyteller  
(repeat)

### VERSE 2:

I can't believe it was love at first sight coz  
It feels like it's over or maybe it's me  
Something you said or you did or you wanted  
Money can't buy and it just isn't free

### BRIDGE:

I must be an insomniac if it wasn't for the way you were  
talkin back  
I don't need a sequel, gonna fade this show to black.

### CHORUS X 2

(I'm not your little princess anymore)  
(Ha ha)  
Get it?

I'm not your Cinderella  
You're not my Rockafella  
I'm not your Cinderella  
Don't want no Storyteller

### RAP

Yeah what yo let me introduce myself  
I'm the girl that you keep tryin to play

Me for your wealth  
You say that baby you're into me  
But you love yourself  
I don't want any of your money  
Baby and I think that's funny  
'Coz you're by yourself  
And ah, I'm not your Cinderella  
Gotta get another fella  
Gotta get a man that understands  
You're just a storytella-acap
