Boy it's your problem you wasted my time,
And I though that I told you you made up my mind.
Whatever defence you've put up, just give in,
Coz you had it, so don't deny it.
I would be an insomniac if it wasn't for the way you
were talkin back,
Don't need a sequel, gonna fade this show to black.

I'm not another cinderella, waitin for a rockafella,
If the shoe don't fit, then that's it, I don't need a
storyteller.
I'm not another cinderella, waitin for a rockafella,
If the shoe don't fit, then that's it, I don't need a
storyteller.

I can't believe this was love at first sight,
Coz it feels like it's over well maybe it's me.
Something you said or you did or you wanted,
Money can't buy and it just isn't free.
I would be an insomniac if it wasn't for the way you
were talkin back,
Don't need a sequel, gonna fade this show to black.

Chorus

I'm not your little princess anymore, ya get it?
I'm not your Cinderella, you're not my rockafella,
I'm not your Cinderella, don't want no storyteller.

Yeah what ya let me introduce myself.
I'm the girl that you keep tryin to play me for my wealth,
You say that baby you're into me, but you love yourself.
I don't want any of your money, baby and I think that's
funny,
Coz you're by yourself and oh, I'm not your Cinderella.
Gotta get another fella, gotta get a man that
understands,
You're just a storytella, not your average chick,
Choose before you pick, find someone else to trick, I'm
giving you the flick.

Are ya feeling this, now put your hands up in the air
now,
Are ya feeling this, now put your hands up in the air.
Are ya feeling this, now put your hands up in the air
now,
Are ya feeling this, now put your hands up in the air.

Chorus x 2
