[Intro: RZA] She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me things, things, I don't wanna hear She told me that she love me, oh man, yo She just keep tellin' me things, things, I don't wanna hear Yo, yo, yo, there's a special Canon camera pointed at me Making a movie as we do this [RZA] Yo, she told me that she loves me, then she says she hates me She seen me with my new girl, now she wants to rape me Maybe get me up in court, so that she can scape me In front of the judge, your honor, it's his baby She told me my head is funny, I'm just big dick and big money So I let her fuck me and spend me But she ain't walking away with a penny We was like Mork & Minky, yeah, we was like Mork & Mindy Yeah, nigga I told her I was from space, and this girl believe me I told her I was a clone, and they was probably three of me We out at the movies, she could of sworn she saw me Yo, yo, anyway [Outro: RZA] She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me things, things, that I She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me things, things, I don't wanna hear She just keep tellin' me... Sin switched it right there, I almost had it right there to
