Yo G, I think its time to set it off  
Oh yeah, huh, now break loose  
Shell I pump it in to their minds?  
Yo man, whenever youre ready!

Yo, Its the R (what?), Im taking off like a car, BMW, off  
course I shine like a star  
youll be pumpin to my sound when I come around,  
cause when me and my squad I think you better  
maintain  
No time for playin, uh, freaky games, time to seperate  
rollness from the fake  
On this first day, I brake it down with G, uh, now short  
turn let it burn so lets see

So I gets the style to represent rhymes, flowin freaky  
styles, all kind off flows  
Gone for what I know, come see my show, doin this, uh,  
try to make do  
In another words DM, let me tell you all who Ill be, the  
signing part from RnG  
With the Rn combination, recognition in style, I could  
rock on on a while

Its RnG on the radio, radio, Its in your mind gonna let it  
flow, let it show,  
You see our face in the video, video, Open up your  
mind gonna let it flow, let it show

You better open up your mind, ohyeah, just a little  
You better open up your mind, ohyeah, just a little

Yeah, Im about to tell you, the real deal, youre the flow  
I drop  
Concrete like steal, a whole lotta peeps wanna hold me  
down  
But RnGll be working some funk in your town  
Yes, Im the rapper of the click, Now try to get with  
My freaky rhymes is comin straight from my lips  
On this fat production, youve got no potion, uh  
Just come check out the fat instruction

I write my style always from the mind, Is only one kind  
of proressive freaky style (rock on)  
Its the G, no fake wannabe, no copy from what I hear or  
see  
I come correct in the right state of mind, and  
prototypes like couse its hard to find  
Theres the deal, show you how it feel, No time for jokes  
yo its all for real!

Its RnG on the radio, radio, Its in your mind gonna let it  
flow, let it show,  
You see our face in the video, video, Open up your  
mind gonna let it flow, let it show  
Its RnG on the radio, radio, Its in your mind gonna let it  
flow, let it show,  
You see our face in the video, video, Open up your  
mind gonna let it flow, let it show

You better open up your mind, ohyeah, just a little  
You better open up your mind, ohyeah, just a little

RnG is in the house, let us break it down for you, (now  
break it down, uh)  
and what we came to do (rock on)  
You know when we come around, were about to get on  
down (get on down, yeah)  
just get on down

You better open up your mind, ohyeah, just a little  
You better open up your mind, ohyeah, just a little  
(just a little of your mind)

Its RnG on the radio,  
You better open up your mind, ohyeah, just a little  
Its in your mind gonna let it flow,  
You better open up your mind, ohyeah, just a little  
You see our face in the video,  
You better open up your mind, ohyeah, just a little  
Open up your mind gonna let it flow, let it show
