Cause YoZi's blessed blessed blessed !

Your lovin' it break break break !

Get down, move around,

Make them sounds, I know your lovin' it day and night

I'm so tight! That's right keep workin' it!

Honey:

Let me take off my clothes,
I wanna dance for you
Baila conmigo amor,
I wanna see you drool
Touch me.....Carino mi ami...Oh yeah

Wanna love you right,
Boy you know that your mine!

Shake your booty tonight,
Shake your booty tonight
Wanna love you right,
Girl you know that your mine!

Honey:

Come take over the beat,
I wanna feel the heat,
Kiss me, right on my lips
And watch me move my hips
Touch me.....Carino mi ami...Ohhhh Ohhhh Wohhhh

YoZi:

Shake your booty, keep movin' it
Try to make a habit of "lossin' it",
I make a record in half a second
That's quite a record I'm usin' it
Summer 2011, thinking you can fathom
Lighter than a feather with "who's in it" and I can hear
em' shout! No doubt!
Shake your butt, cause they cool with it!

Fabby:

Oh yeah!! Ladies, Fellas!!
It's the part, you've been waiting!
Yeah! I wanna see yall's hands in the air!!
Clap! Clap! Clap! Clap! Clap!!
Oh le le (hands up!), oh la la (hands up!),
Get down on the floor (go girl!) and just shake your
butt tonight (go girl!)
Oh le le (jumpin' low!), oh la la (jumpin' low!),
Get down on the floor (just shake it!) and just shake
your butt tonight (just shake it!)
Oh le le (hands up!), oh la la (hands up!),
Get down on the floor (let's go!) and just shake your

butt tonight (let's go!)
Oh le le (hands up!), oh (jumpin' low! jumpin' low!) la
la,
Get down on the floor and just shake your butt tonight!!

Chorus:

Shake your booty tonight,
Shake your booty tonight
Wanna love you right,
Boy you know that your mine!

Wanna love you right,
Girl you know that your mine!
