And I'm here
With my girls
Getting ready to party.

Paint my nails
Dry my hair
What you see
Is what you get...
All right.

We're going out tonight,
Looking so hot hot,
It's time to have
Some fun fun, right.

Do what I want
And spread myself around.

In the club
We just blow it
Dancing, dancing all around.
Make some noise
It's not over
Dancing, dancing all around.

VIP, VIP.
VIP, VIP.
VIP, VIP.
VIP, VIP.

VIP, just for us
Was it girls night
Am I right?

Gossip here,
Gossip there
Tell the truth just
If you dare

We're going out tonight,
Looking so hot hot,

It's time to have
Some fun fun, right.

Do what I want
And spread myself around.

In the club
We just blow it
Dancing, dancing all around.
Make some noise
It's not over
Dancing, dancing all around.

VIP, VIP.
VIP, VIP.
VIP, VIP.
VIP, VIP.

We can be friends
Or we can be strangers
On the floor
We're having fun.

Put your hands up
and lets dance together
With the rhythm
Of the night.

...It's Fainal...

In the club
We just blow it
Dancing, dancing all around.
Make some noise
It's not over
Dancing, dancing all around.

VIP, VIP.
VIP, VIP.
VIP, VIP.
VIP, VIP.
