Chorus

So smooth so week
Full the curve she feel like bridge
Can't explain the way I feel
I get in the thick of it feels so good (repeats)

Shorty .. I am in love with your thickness
Small petite sounds nice but it's not for me
Need a shorty with some meet on the bones
.. I got .. makes me wanna mourn
When I watch her move
Captivated by the way the girls moves
Like she got something to prove
.. drop it low rock it ..
Drive me crazy
So smooth so week
Full the curve she feel like bridge
Can't explain the way I feel
I get in the thick of it feels so good (repeats)

From the 26 24 36 for the ..
See a fellow with a stick
God is my witness
Feel it's thickness
Drop it low
Why cause .. attention
A bedroom moves .. suspension
TLC keep me in a good mood
