Im Still The Same Nigga  
And I Still Aint, Aint Scared To Do Sh\*T

I Aint Ashamed Girl  
Imma Do What It Takes To Make You Holla  
What It Takes To Make You Holla And Scream

I Got It If You Want Some Drank  
I Got It If You Want Some Dro  
Dont i aint- not don't Worry Bout The Pre-Game Warm  
Up I Cant Wait To See That Frame Outta Them Clothes  
Your Body Is My Playground  
Imma Freak You Up And Down  
Make You Feel The Way You Say You Wanna Feel

Are You The Type That Wants A Man To Take Charge  
Hit It Until You Breathless Bust And Still Stay Hard  
Are You The Type That Want A Man To Pull Your Hair  
Make You Scream Folks In The Other Room You Dont  
Even Care  
Are You The Type Of Woman That Likes To Explore  
From  
The Kitchen To The Bed To The Shower Much More,  
Imma Have You All Scrumbling Down imma have your  
walls  
crumblin down- not have you all scrumbling down\*  
When  
I Kiss It And Make That Grumbling Sound

Its Early In The Night  
Imma Treat You Right  
Using All Of My Might  
You Scratching Holdin Me Tight  
Imma Hold You Kiss You And Bite  
Use Berries, Creams, And Ice  
Pull Out The Cups cuffs- not cups To Add Spice  
Imma Do Whatever You Like
