You say it's completely pointless wondering what went wrong  
I'd like to be so tough and strong  
Our story ended long ago and has turned to dust  
But somehow I can't get out of that past

There is no question 'bout the one who is to blame  
Who has been treating bad and cheating in this game  
I went away but I can't let go  
While I'm lost in my rain you head for sunny days  
You keep on living your freedom and you walk your ways  
And I'm proud of the girl that I used to know

SHE'S MOVING TO CANADA, I KNOW SHE WILL MAKE IT FAR  
I WISH THAT ALL HER HOPES AND DREAMS ARE COMING TRUE  
SHE'S MOVING TO CANADA, MOVING TO CANADA  
I HOPE SHE FINDS WHAT SHE IS LOOKING FOR  
AND MAY HER SKY BE ALWAYS BRIGHT AND BLUE

I still pay for every single time I made you cry  
I still pay for every single lie  
I killed your will to fight for the love that I threw away  
Now there's no way back to yesterday

It's not just looking back in anger, as I hope  
Remember crazy scenes, better than our favourite soap  
I miss your laughing and your smile  
And somewhen in another time, another place  
I'd love to see again that smile on your pretty face  
And feel like back then, for a while

SHEÂ'S MOVING TO CANADAÂ...

I said: 'I don't want us to be just one short novel more'

SHEÂ'S MOVING TO CANADAÂ...

... And I miss you, and I miss you,... there's no life left  
without you
