"... some attempts of bringing to life again what's been
thought to be dead
Already, may have failed... but sometimes you just
need a little more
Patience to see a sense in what fate seems to have in
mind..."

You held me when there was no one else to hold on
You were there when I needed someone like you most
And I'm glad that we met and I'm sorry the time was
wrong
But there's something unbreakable that will always last

LOVERS THEY COME, BABY, LOVERS THEY GO
BUT WHAT WE HAVE IS WORTH MORE THAN TEARS
THAT MIGHT FLOW
I KNEW HOW LUCKY I've BEEN FROM THE START
WHEN I FOUND YOUR GOLDEN HEART

You can count on me like I can count on you
You made me believe and survive
And I won't forget all that we had
And I won't forget you saved my life - you know:

LOVERS THEY COME?
