You like mismatched socks with polka dots
You like your pizza cold; I think that's hot
You like to swim at night when the moon is full
You think that makes you strange;
I think that's cool

And you say you're scared
That I won't be there
Baby, I swear
I'm not going anywhere

You can change your hair
Five times a week
You can change your name
Get a little bit crazy
You can dance in the rain
Rockin' secondhand chic
But I live for the day
That I'm calling you baby

'Cause I'm falling for you
For everything that you do
Baby, I'm falling for you
You might be crazy
But baby,
I'm falling for you

I seem predictable, vanilla plain.
And all the mannequins - they look the same.
There's no one else like you - one of a kind.
And I'm a lucky guy 'cause you're all mine.

And you say, you're scared
That I won't be there
Baby, I swear
I'm not going anywhere

You can change your hair
Five times a week
You can change your name
Get a little bit crazy

You can dance in the rain
Rockin' secondhand chic
But I live for the day
That I'm calling you baby

'Cause I'm falling for you
For everything that you do
Baby, I'm falling for you
You might be crazy
But baby,
I'm falling for you

Yeah
You might be crazy
But baby I'm falling for you

You like mismatched socks with polka dots
You like your pizza cold
Yeah, I'm falling for you, falling for you

You can change your hair
Five times a week
You can change your name
Get a little bit crazy
You can dance in the rain
Rockin secondhand chic
But I live for the day
That I'm calling you baby

'Cause I'm falling for you
For everything that you do
Baby, I'm falling for you
You might be crazy
But baby,
I'm falling for you

Yeah
I'm falling
I'm falling for you

Yeah
You might be crazy
But baby I'm falling for you
