In the back of a taxi cab
One, quick turn you were on my lap
We, touched hands and we pulled them back
Yeah
I want you bad
And even though it should be so wrong
I can't help but feel this strong
Cuz the way you turn me on
Like a light switch

I might just go, crazy
Cuz your my best friend's baby
But you got me thinkin' maybe, just maybe
I don't know what to do

I'm in love with someone else's girl
You rock my world
But you're the one thing I can't have
I want you bad
In my crazy mind
I'm with ya all the time
Cuz you're the best I never had
Oh girl, I want you bad

Oh oh oh oh ohh
Oh oh oh oh ohh
Oh oh oh oh ohh
Oh
I want you bad

It's so hard, just to pretend
This sucks
You're his girl and he's my friend
No
Good way for this to end
Yeah
I want you bad
I wish someone could help me
This is just so unhealthy
And everything you got just kills me
Goin' guilty

Go crazy
Cuz your my best friend's baby
But you got me thinkin' maybe, just maybe
I don't know what to do

I'm in love with someone else's girl
You rock my world
But you're the one thing I can't have
I want you bad
In my crazy mind
I'm with ya all the time
Cuz you're the best I never had
Oh girl, I want you bad

Oh oh oh oh ohh
Oh oh oh oh ohh
Oh oh oh oh ohh
Oh
I want you bad

I want you, I want you
I want you, I want you
I want you, I want you
I want you bad (I want you bad)
I want you, I want you
I want you, I want you
