Intro/chorus

Slowly breathing
Slowly dying
Couldn't help her
Now she's gone
Filled my heart with sorrow
Can't go on
Am searching for
Love again, love again
Love again
Once more

Verse 1

Slowly searching
Slowly crying
Miss you baby (am alone)
I need you here am slowly dying
In my heart and soul am alone
I miss you, there's nothing like your love
Nothing like your touch, your gone away
Were are you my baby
I need you my baby(am going crazy)
(Chorus)

Verse2

Watched you grow like a butterfly
And sting like a bee
And I wasn't even strong enough to keep you
Close to me
When the nights long
Looking at the moon
Silent whispers silent tears
Wishing you were here
This loneliness is so hard
Looking at my hands
So dull so blue
From now they'll never be held by you
And my heart is empty

Cause I can't see you
Am scared to stay alone
Tryna find you
Gona hold to what we had
Never leave your memory
It will always be in my heart till
I die.

Chorus

Slowly breathing
Slowly dying
Couldn't help her
Now she's gone
Filled my heart with sorrow
Can't go on
Am searching for
Love again, love again
Love again
Once more(3x)
