We've only just begun to live  
White lace and promises  
A kiss for luck and we're on our way  
We're just begun

Before the rising sun, we fly  
So many roads to choose  
We start out walking and learn to run

And yes we've just begun

Sharing horizons that are new to us  
Watching the signs along the way  
Talking it over just the two of us  
Working together day to day, together

And when the evening comes, we smile  
So much of life ahead  
We'll find a place where there's room to grow

And yes, we've just begun

Chorus
