It's just another day in this crazy place
Well, don't you ever feel like you're losing the race
We're all on the same long road
To get where we want to go

Are we in love yet?
Don't you know that's what it's all about
Are we in love yet?
That's what makes the world go round

Don't need a crystal ball to see what's goin' on
Well, I can see the signs so come on everybody
Let it shine, shine, shine
Oh yeah, 'cause love makes you love somebody
Love turns you into somebody

Are we in love yet?
Don't you know that's what it's all about
Are we in love yet?
That's what makes the world go round

Are we in love yet?
That's what it's all about
Are we in love yet?
Don't you know that makes the world go

Love's spinning, love's spinning round
Love's spinning, love's spinning round
'Cause love makes you love somebody
Love turns you into somebody

Are we in love yet?
Don't you know that's what it's all about
Are we in love yet?
That's what makes the world go round

Are we in love yet?
That's what it's all about
Are we in love yet?
That's what makes the world go round

Are we in love yet?

Don't you know that's what it's all about
