Well I tried, but I just can't win  
Thats alright, I'll see you again  
Now I know, I gotta let you go  
Now I see, you were never meant for me

Drowning in sorrow, can't see tomorrow  
All I miss is sweetness  
Blind with the weakness  
Oh oh I want you back (x4)

I remember, the love in your eyes  
When you took my hand and said goodbye  
I don't know where the river flows  
But now I'm free, i'm gonna go down again

Bitter pill to swallow  
Can't see tomorrow  
Blind with the weakness  
All I miss is the sweetness

Oh oh I want you back  
What can I do?

Drowning in sorrow, can't see tomorrow  
All I miss in the sweetness

Oh oh I want you back  
What can I do?  
Walk on..  
Walk on.. yeah..  
Walk on..  
I gotta walk on  
Yeah, yeah  
Yeah, yeah
