I remember you back in '83  
Singing in the rain  
In sweet harmony  
I get so lonely  
As the pages turn in my history  
You fade away like a mystery  
I get so lonely  
Heaven is in your arms dear  
Heaven is in your arms dear  
I will never let you go  
I will never let you go  
Heaven is in your arms dear  
Heaven is where you are  
I will never leave you  
I will never let you go  
If you never come back into my life  
I'll cut these strings with a golden knife  
I won't be lonely, I won't be lonely  
I'll steal your body from the hall of fame  
So the U.S.A. will know my name  
I get so lonely, I get so lonely  
Heaven is in your arms dear  
Heaven is in your arms dear  
I will never let you go  
I will never let you go  
Heaven is in your arms dear  
Heaven is where you are  
I will never leave you  
I will never let you go  
I read in this month's Passion magazine  
Or was I just imagining things?  
It seemed so real  
I've got something that you left behind  
A picture of you in my mind  
Heaven is in your arms dear  
Heaven is in your arms dear  
I will never let you go  
I will never let you go  
Heaven is in your arms dear  
Heaven is where you are  
I will never leave you  
I will never let you go
