Hey boys, it's a steal
You're hanging on
By your finger nails
As usual, the king is dead
Long live the queens

Hey girls, no big deal
Your fifteen minutes
Start right here
So baby let's go, let's go

I'm watching the world
Taking my time
I've waited my turn
I'm gonna shine

Heroes take their toll
Hog your dreams
And crush your soul
Then take you out
Out to dinner

Roll on the original
Highly strung out
Spaced out individual
Terminal sinner

I'm watching the world
Taking my time
I'm waiting my turn
I'm gonna shine

And all the pretty people
That I used to see
Have died or moved away
Or they're in recovery

And all the buildings
Where the faithless used to play
Have crumbled into clay
And I don't know what to say
I just don't know what to say

I don't know what to say

I'm watching the world
I'm taking my time, I can drive
I'm waiting my turn
I'm gonna shine

I declare my innocence
I'm worth more than 60 pence
Look, I've got a shiny car
I can drive, I can drive

Yes, baby, I'm for real
That's just the way I feel
I can take you anywhere
Anytime, anytime

Everything I pass is old
Everything I touch is gold
Now I see the world unfold
I can drive, I can drive

Yes, it's a steal
Nothing that you see is real
Get yourself a pair of wheels
Get to drive, go and drive

Come on, come on
I can drive, I
