(Fahey/Detroit/Ferrera) 5:13

she's the queen of cliché  
lit from the highest tower  
she loves to entertain you  
but she charges by the hour  
here among the flowers  
of faith and hope i stand  
while you are buried in the mass  
of weeds you sowed by hand  
you're looking for a saviour  
a queen from tv  
but if you want to trust someone  
well how about me  
let me entertain you  
is your soul for hire  
let me entertain you  
have you got the time  
in a bar in oklahoma  
she offered you a dream  
but it turned into a coma  
well there are no in betweens  
sleep comes to the navyman  
who has to work the yard  
but love's an added extra

you get when you're a star  
let me entertain you  
is your soul for hire  
let me entertain you  
have you got the time  
let me entertain you  
is your love for hire  
let me entertain you  
have you got the time  
don't you want to put your trust in  
someone who's not ordinary  
don't you want to put your trust in someone like me  
let me entertain you  
let me entertain you  
let me entertain you  
is your heart for hire  
let me entertain you

is your soul for hire  
let me entertain you  
is your love for hire  
let me entertain you  
have you got the time  
let me entertain you  
let me entertain you  
have you got the time
