When I'm gone  
It's too late  
All my thoughts  
They congregate

I still love you if I hadn't left you long ago  
Tired chicks they final blow

And I wanna go, go out completely  
Is just a way you lead that's obvious  
And it's okay 'cause I need a holiday  
For all you know I could be any other one

I wanna go, I wanna go,  
I wanna fuck a cruisin law  
Is just a life that's way you go  
A simple life so Tokio

When you held  
And high regard  
You forget how it was hot  
I'm in love with the morning sun  
Reaching afternoons oh  
Quit nights feels for two  
Hold me, hold me, hold me,

I wanna go, I wanna go,  
I wanna fuck a cruisin law  
Is just a life that's way you go  
A simple life so Tokio

Flashin in the wings of the foreign nights  
Seems that scattered plays the fall  
Hell is a handed takes you there  
Feel the strangers watch them go

3 x  
I wanna go, I wanna go,  
I wanna fuck a cruisin law  
Is just a life that's way you go  
A simple life so Tokio
