(Yeah) People have been talking  
About what I should do.  
But I just can't listen,  
I keep in tune to You.

But I'm not gonna fall;  
I'm giving it all to You, my Lord.  
I'm not gonna fall  
I'm giving it all to You...  
If I fix my eyes on You,  
Will You show me what to do?  
I'll lay down my sorrows,  
I'm all Yours. (yeah, yeah, oh oooh)

If I could make the world  
Fade away for just a moment  
To be (to be) alone with You (with You)...  
Too many voices,  
Too many noises,  
Too many choices...(ahhhh)  
Why can't it be just You and me?

But I'm not gonna fall;  
I'm giving it all to You, my Lord.  
I'm not gonna fall,  
I'm giving it all to You, oh yeah...  
If I fix my eyes on You,  
Will You show me what to do?  
I'll lay down my sorrows....

All that I can see is that they're looking at me,  
But all I've ever wanted was for You to be  
The only Thing that matters in my life to me.  
But Lord, You know, You know, You know.

Standing in the midst of the crowd, I cry out loud.  
Gonna give it all, I'll be living it out loud.  
You are the King and the light in my eyes.  
You already know I'm reaching for the prize(yeeah,  
yeah!)  
If I fix my eyes on You

Will You show me what to do? (oh, oh)  
I'll lay down (I'll lay down) my sorrows,  
I'm all yours. (I'm all yours! I'm all yours!)

If I fix my eyes on You  
Will You show me what to do? (oh, oh)  
(I'll) lay down my sorrows,  
(I'm all) Yours...

I'm not gonna fall,  
I'm giving it all...  
I'm not gonna fall,  
I'm giving it all, yeah, oh-woah...  
I'm not gonna fall,  
I'm giving it all, woah, yeah...  
I'm not gonna fall,  
I'm giving it all, oh, oh, oh yeah...
