Here is a question that I need to know:  
Why turn my back and just refuse to go  
When You have made for me a path so bright  
Through this life (mmm-hmm)?

Oh Lord, I know You want to help me see  
'Cause You know exactly where I need to be.  
There will be troubles there to block my sight,  
But I'll be alright when You shine Your light!

Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.  
You take my circumstances into Your hands and make  
a way.  
Lord, You take me by the hand,  
Showing me the things You've planned, soâ€¦!  
Lead me, I'll follow wherever You go.

There is no question that my future's clear  
'Cause I know You're answerin' my every pray'r;  
And when You don't say what I want to hear,  
I won't fear, 'cause I know You willâ€¦!

Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.  
You take my circumstances into Your hands and make  
a way.  
Lord, You take me by the hand,  
Showing me the things You've planned, soâ€¦!  
Lead me, I'll follow wherever You goâ€¦!  
Hey, hey, ooh, oh, woah, yeay, yeah!  
(na na na na, na na na na, na na na na na,  
Na na na na, na na na na, na na na, na na,  
Na na na na, na na na na, na na na na na)

Lord, You take me by the hand,  
Showing me the things You've planned, soâ€¦!  
Lead me; I'll follow wherever You lead me down,  
Lead me; I'll follow wherever You need me now.  
Lord, every circumstance falls in Your hands; You  
make a way.

Right before my eyes to see - You're the path in front of  
me, soâ€¦  
Lead me, I'll follow wherever You go.
