Uh uh uh uh uh uh uh...

V1:

You're painting a picture of what you would prefer
Of what you want to see come out of your life
But every now and then you gotta open up your eyes

It's all running together taking forever
And I know just what the feeling is like
But you can't just let it all pass you by

Wanna see ya in your most outrageous style
Wanna see ya in your most courageous smile
Live it love it oh you know you wanna try
Hey-it's your life
You've got the love
You've got the lord
You've got to hold on to it
Uh uh... hey-it's your life

V2:

Run away to your own beat
Trip over your own feet
At least you know you might be finding your way
And you're closer than you were back in the day

Wanna see ya with your most outrageous style
Wanna see ya in your most courageous smile
Live it love it oh you know you wanna try
Hey-it's your life
You've got the love
You've got the lord
You've got to hold on to it
Uh uh... hey-it's your life

Bridge:

Ooh lookin for answers
Life is a dancer
It's gonna ask you questions you may not ever know

And all you gotta do is just let go
