There was a time - I was lost, I was blind;
I was searching for something I could not find.
Nowhere to go, there I was all alone.
There was no one to carry me.
That's when He came and He called out my name;
Just a touch of His hand took away my shame.
That was the day that His love found a way to my heart,
And He set me free.

He did it, I get it.
And now I'm caught up in it!
He did it, I get it.
This is my Savior song!

He did it, I get it.
And now I'm caught up in it!
He did it, I get it.
This is my Savior song!
Oh yeah. (This is my Savior song.) Oh...ooh-ooh.

Look and I see you were lost just like me.
You were thirsty for Love; you were so in need.
End of your rope...you were reaching for hope.
You were sure there was just no way. (Sure there was just no way.)
But now there's a trace of love on your face.
You've been touched by His grace; everyone can see
He saved the day! The price has been paid.
Together now we say...

He did it, I get it.
And now I'm caught up in it!
He did it, I get it.
This is my Savior song!

He did it, I get it.
And now I'm caught up in it!
He did it, I get it.
This is my Savior song!
Oh yeah. (Savior song.)
Muh, muh-muh-muh my Savior song, yeah!

(Get it, get it, get it, get it, get it, get it hey-hey, yeah!)

For God loved the world -- every boy, every girl --
That He gave us His One and His only Son.
Now we can sing to our Savior and King
'Cause freedom has been won! Oh yeah!

He did it, we get it.
And now I'm caught up in it!
He did it, we get it.
This is my Savior song! (Savior song)

He did it. (I get it. Caught up in it.)
Oh, woah!
This is my Savior song! (Yeah!)

He did it, we get it.
And now I'm caught up in it! (Oh yeah!)
He did it, I get it.
This is my Savior song!

He did it, I get it.
And now I'm caught up in it!
He did it, I get it.
This is my Savior song!

He did it....
