You are my Father, I am Your child.  
Will You hold me in Your arms  
Just a little while  
And let me know how much You care for me?  
There's no other place in this world  
I'd rather be.  
And when I fall down on my knees and pray,  
My heart is captured when I hear You say:

?Come with Me My child to the secret place.  
I love you, I love you, I love you, oh.  
Come and find your rest in the secret place.  
I love you, I love you, I love you, ooh.?

Everywhere I turn, everything I see  
Reminds me of the joy that You bring to me;  
And I...I need You so don't let me go.  
Touch me with Your healing hand.  
Tell me that You understand.  
When I falter, when I lose my way,  
You shine Your light on me and I hear You say:

?Come with Me My child to the secret place.  
I love you, I love you, I love you, oh.  
Come and find your rest in a secret place.  
I love you, I love you, I love you.?  
Da da dah, da da dah, ba da da daah ahh, ahh-ah,  
ooh, yeah

And when I fall down on my knees and pray,  
My heart is captured when I hear You say:  
(?Come with me, come with me, come, come, come,  
come with me now....?)  
Just a little while...  
(?Come with me, come with me, come, come, come,  
come with me now....?)  
Ooh...

(?Come with Me My child to the secret place.?)  
?Oh, I love you, I love you, I love you, yes I do.?  
(?Come and find your rest in the secret place.?)

?I love you, I love you, I love...  
(Come with Me My child to the secret place) you?  
?In the secret place....?  
(?Come and find your rest in the secret place.?)  
?I love you?  
(?Come with Me My child to the secret place.?)  
Oh, the secret place, yeah.  
(?Come and find your rest in the secret place.  
Come with Me My child to the secret place.?)
