Come make some time today
Jump aboard here on this train
'cause it leaves- just in time for everyone
Who believes one day we will see the son

Let's take this ride today
Plenty room plenty space
You'll find you'll be in good company
All the time- you'll be free to fly

From your sorrow
Straight into the light
And your tomorrow
Ever shining bright
All you high and below
Trying to survive
Come on down

I know you feel it
But I wanna hear it from you now
Say what and I wanna hear you sing it loud
Say what I gotta hear you sing it out

It's time for the good life
It's time for the good life
It's time for the good life
It's time for the good life

Your drama gone
You're light and free I know I wanna
Be there when you make your discovery
Yea here comes your victory

Over sorrow
Straight into the light
To your tomorrow
Ever shining bright
Don't you ever let go
'cause ya finally got it right

Let's sing it down

I know you feel it
But I wanna hear it from you now
Say what and I wanna hear you sing it loud
Say what I gotta hear you sing it out

Bout time for the good life.....
Make time for the good life.....
