Totally spinning but I'm standing still.
I am drugged by love yet I've taken no pill.
I am hungry yet my eyes have had a feast how can this
happen beauty has fallen in love with the beast.

Elegant lovely like a dandelion pretty one yes a
daughter of Zion.
I did not seek her love work for it or toil. How can
this happen Venus has come down to my patch of soil.

I bind her with love and in circle her with many a kiss.
Yet her love is wide boundless.

Smothered with pleasure yet we commit no sin.
I say baruch Ha Shem to the G-d above.
How can this happen he gave her this woman for me to
love.

I bind her with love and in circle her with many a kiss.
Yet her love is wide boundless.
