this is nothing that you've ever felt before the stage
is for you the chance swarms you who wants it like
it was before who wants it like Traffic like Zeppelin
next to Sheila she's a giant towering in blue jeans
and your heart is pounding who wants it like it was
before 1974 hey sweet lady hey sweet lady where's
your
tricks tonight yeah sweet lady yeah sweet lady am i
it tonight this is sorrow this is acrobats her meaning
less surrounds her the magnitude has found her who
are you trying to get back your living in '84 such
a bore let's burn it to the floor.
.. at the bus stop neon tube socks forgot to wear a
top now i'm lost and found
