Heart beats fast
Colors and promises
How to be brave
How can I love when Iâ€™m afraid to fall?
Watching you stand alone
And all of my doubts suddenly goes away somehow
One step closer

I have died every day waiting for you
Darling donâ€™t be afraid I have loved you
For a thousand years
Iâ€™ll love you for a thousand more

Time stands still
Beauty in all she is
And I will be brave
And I will not let anything take away
Whatâ€™s standing in front of me
Every breath
Every hour has come to this
One step closer

I have died every day waiting for you
Darling donâ€™t be afraid I have loved you
For a thousand years
Iâ€™ll love you for a thousand more

And all along I believed that I have loved you
Time has brought your heart to me
I have loved you for a thousand years
Iâ€™ll love you for a thousand more

One step closer
One step closer

I have died every day waiting for you
Darling donâ€™t be afraid I have loved you
For a thousand years
Iâ€™ll love you for a thousand more

And all along I believed I have loved you

Time has brought your heart to me
I have loved you for a thousand years
IÂ'll love you for a thousand more
