If you should ever want to be set free

If you're not certain your future lies with me

I'll let you go
girl
until your heart is sure

It's a love worth waiting for.
Now I won't stop you from leaving 'cos I know

The way to keep you would be to let you go.
And I'm prepared to wait a thousand years or more

It's a love worth waiting for.
If you should leave me
oh please
remember in my heart there's a fire

A flame of desire for your charms.
I will keep you alive
this glowing ember.
A love that will burn until you're back in my arms.
You know
my darling
I need you here with me

But only to stay because it's where you ought to be.
'Cos I'm prepared to wait a thousand years or more

It's a love worth waiting for.
In my heart there's a fire

A flame of desire for your charms.
A love that will burn until
You're back in my arms.
You know
my darling

I need you here with me

...

It's a love worth waiting for.
